Outdoor Visitation Guidelines

effective 7.20.2020

Friends and family may now schedule outdoor visits with residents, weather permitting. To keep everyone safe, please adhere to the following guidelines:

1. Visits must take place when temperatures are higher than 65°F but below 90°F, and no rain. Monitor resident for any signs or symptoms of heat exhaustion.
2. Residents may have no more than two guests per visit.
3. All visitors must be over age 2. Visitors under age 18 must be accompanied by a responsible adult.
4. A staff member will accompany the resident and guests at all times during the visit.
5. Visitors, residents and staff must wear masks during all visits. Cloth masks are acceptable. If guests do not have masks, the community will provide them.
6. Hand sanitizer, supplied by the community, must be used by residents, staff and visitors prior to, and after, each visit.
7. Guests and residents must maintain a safe physical distance of at least 6 feet throughout the visit and are strongly encouraged to refrain from physical contact (hugging, kissing or touching) for everyone's safety.
8. Please call at least 24 hours in advance of your preferred visiting day. Visits will be scheduled in 30-minute time slots to accommodate as many families as possible.
9. Guests will be screened for COVID-19 symptoms (dry cough, shortness of breath, etc.) and fever (99.6°F if age 65+ | 100.4°F if under age 65).
10. To keep residents safe, any gifts, cards, or food brought with guests will be given to staff for later distribution.
11. If you develop a fever or symptoms of COVID-19 within 14 days of a resident visit, please contact the community immediately.

**In Ohio, visitation may occur only when the county alert level is 1 (yellow) or 2 (orange), as identified by the Ohio Public Health Advisory System.*
