Celebrating the Spirit®

Statement on United Church Homes' Commitment to Diversity, Equity, Inclusion, and Belonging:

We firmly believe that our diversity is our strength at United Church Homes, and we unwaveringly commit to diversity, equity, and inclusion. Our mission to provide compassionate care and support to older adults and their families extends to us creating a workplace and communities that reflect the rich tapestry of humanity.

We understand that diversity is not just about embracing differences in race, ethnicity, gender, sexual orientation, or background; rather, it's about recognizing that each individual brings a unique perspective, talent, and experience to our collective journey. Our commitment surpasses mere words; it's a daily practice deeply embedded in our culture and actions.

In our pursuit of equity, we strive to remove barriers and ensure equal opportunities for personal and professional growth. This commitment extends to our employees, residents, partners, and the communities we serve. We dedicate ourselves to creating an environment where everyone feels valued, heard, and respected.

Inclusion lies at the heart of our approach. We make sure that all individuals have a seat at the table. By fostering a sense of belonging, we create spaces where everyone can thrive, contribute, and grow.

Our Board of Directors serves as a beacon of our commitment. They exemplify leadership that prioritizes these values, guiding our organization towards an even more inclusive future. Their dedication to these principles is evident in our strategic decisions, policies, and practices.

As we move forward, we remain steadfast in our pledge to uphold these principles. We will continue to learn, grow, and adapt to create a more inclusive United Church Homes, where everyone can flourish and experience a profound sense of belonging.

United Church Homes is more than an organization; it is a community that celebrates diversity, pursues equity, practices inclusion, and embraces belonging. Together, we forge a path towards a brighter, more inclusive future for all.
